## something about me

---

I'm minimalist designer, who finds beauty in simplicity and elegance. I consider myself as an introverted person, who may not say much, but has a universe inside her head. I am fond of anything that involves art itself, designs, textures, and patterns (mostly in love with typography and illustrations).

Knowledge of Adobe's creative apps:  
**InDesign, Illustrator, Photoshop, Adobe XD, After effects**

## skills

---

- Hardworking
- Flexible
- Responsible
- Productive
- Creative
- Positive

## education

---

2018 – 2021

### **University of creative communication: Graphic and Media Design**

As a student of this programme I am encouraged to both perfect my critical thinking abilities and present bold creative ideas. Thanks to the patronage of Czech Association of Communications Agencies and Art Directors Club I am in constant contact with the top Czech and foreign graphic designers and art directors.

2012 – 2018

### **Gymnasium Trinec**

General overview, prepares students for university entrance.

## experience

---

October 2019 - December 2019

### **Intern DOC.DREAM services s. r. o.**

I was involved in the preparation of 24th Ji.Hlava International Documentary Film Festival as a graphic designer. Moreover, during the festival, I was involved in the:

- Typography (preparation of press materials for journalists, document editing)
- Databases (updating data)
- Production
- Webediting (information updates)
- Graphic Design (banner design)
